

## **Infant November Newsletter**

It's November! This month marks the end of Daylight Saving so don't forget to set your clocks back an hour! We plan to utilize the short days by continuing to develop our sensory and cognitive skills. We continue to be thankful for all of you, and hope you feel the same! Have a blessed Thanksgiving this year!

**This Month:** We plan to utilize the short days by refining our grasp, hand-eye coordination, and aural (hearing) development. We will be using monochrome color trays to expand our visual knowledge by recognizing slight shifts in light and color. We will also create a sensory station that incorporates various sensory inputs to build connections between neurons leading the child to develop more complex problem-solving skills.

#### **Clothing:**

Please be aware that we still go outside. Please make sure that your children have appropriate attire for the outdoors. In addition, please check to see that extra clothes are correct size and weather appropriate. (All labeled with child's name)

**Note:** This is a NUT FREE school. Please refrain from sending in nuts (any kind of nuts) to school with your child, remember their safety comes first.

## **Acknowledgment:**

We want to thank all of you for sharing your children with us this year. Please continue to help your child/children with lessons taught at school, as repetition is the key to success! "Repetition is the secret of perfection!" Maria Montessori.
