

Infant May Newsletter

May is the fifth month of the year. We can sing and dance and play, summer is almost here. April was such a great month filled with so much learning and fun activities. The month of May promises even more exciting things. We have Mother's Day coming up and we hope all our wonderful moms will enjoy it.

This Month: We are excited for the month of May and to learn all about body parts! The children will explore a variety of sensory play activities. We will be focusing on social, emotional, and cognitive skills. We will be having a phone conference this month to discuss our little kiddos. Our aim is to provide an outstanding environment where each child is nurtured and valued.
