

Infant March Newsletter

It is the third month of 2023. We are almost a quarter of the way through this year! With the days getting longer and springtime just around the corner we leap into March with a renewed sense of excitement. And don't forget to leap forward as daylight savings time begins on March 12th.

This Month:

We will be reading Dr. Seuss books throughout the month. We will also learn about healthy food and their textures to further develop the infant's sensory perception.

We will create arts and crafts associated with our weekly themes. Also, we will be doing a scavenger hunt to find the leprechauns. We will still be practicing holding crayons.
