

Infant September Newsletter

September is here, marking the beginning of the Fall season. We are eager to embrace this time of year with a spirit of exploration and a desire for learning. We trust that you are also excited to engage in the developmental milestones that lie ahead for your child.

This Month: The fall season brings new opportunities for sensory input, such as the crunching of leaves and changes in weather. As it's National Honey month we will also incorporate honey into our sensorial activities. We also plan on further developing cognitive function, specifically improving our pincer grasp and following patterns.

Clothing:

Please be aware that we are still going outside. Please make sure that your children have appropriate attire for the outdoors. In addition, please check to see that extra clothes are correct size and weather appropriate. (All labeled with child's name)

Note: This is a NUT FREE school. Please refrain from sending in nuts (any kind of nuts) to school with your child, remember their safety comes first.

Acknowledgment:

We want to thank all of you for sharing your children with us this year. Please continue to help your child/children with lessons taught at school, as repetition is the key to success! "Repetition is the secret of perfection!" Maria Montessori.
