

## **Infant September Newsletter**

Its September, the first month of the Fall season! We can't wait to kick start this fall with a sense of adventure and a thirst for new knowledge. We hope you are all looking forward to working alongside us in this exciting development stage for your child.

**This Month:** The fall season brings new opportunities for sensory input, such as the crunching of leaves and changes in weather, as it's National Honey month we will also incorporate honey into our sensorial activities. We also plan on further developing cognitive function, specifically improving our pincer grasp and following patterns.
