

## Infant February Newsletter

As we dive into the heartwarming month of February, we are excited to extend our warmest greetings to our littlest members and their families. In the spirit of love and creativity, our tiny tots will be engaging in delightful Valentine's Day crafts, spreading joy with every glittery heart and handmade card. Additionally, we're thrilled to announce that our school is turning nine years old this month, marking a journey of growth, laughter, and countless precious moments with our Vision Family.

### This Month

This month, our little explorers will be embarking on a fascinating journey into the realms of hibernation, adaptation, and migration, exploring the ways animals cope with winter.
