

Infant August Newsletter

As August unfolds and with summer ending, it's essential to seize every moment and make the most of this vibrant season. We've diligently planned a variety of engaging activities to ensure our little ones can savor the outdoors. From sensory explorations in nature to playful water activities and discovering new textures, there's plenty to spark joy and foster development. Let's embrace these precious days of sunshine and exploration together!

This Month

This month, we're sailing into fun and friendship with our little explorers! Our activities are filled with excitement as we embark on imaginative journeys with toy boats, encouraging fine motor skills and a sense of adventure. We're also floating high with joy through playful interactions with balloons and baskets, exploring different textures and colors. As we navigate these playful adventures together, we're building bonds and creating memories that celebrate the spirit of exploration and togetherness.

Clothing

Please be aware that we are still going outside. Please make sure that your children have appropriate attire for the outdoors. In addition, please check to see that the extra clothes are the correct size and weather appropriate. (All labeled with child's name)

Note: This is a NUT FREE school. Please refrain from sending in nuts (any kind of nuts) to school with your child, remember their safety comes first.

Acknowledgment

We want to thank all of you for sharing your children with us this year. Please continue to help your child/children with lessons taught at school, as repetition is the key to success! "Repetition is the secret of perfection!" Maria Montessori.
